July 2, 2010

## WEEKLY HIGHWAY ALERT – RICHMOND DISTRICT

**COLONIAL HEIGHTS** – Road construction that is expected to cause delays from **July 2-9, 2010** is listed below. Updates are marked in **bold**.

The Virginia Department of Transportation (VDOT) will help ease Fourth of July holiday weekend travel by opening lanes temporarily closed for construction or maintenance work on major roadways from noon Friday, July 2, until noon Tuesday, July 6. Long-term construction zones with concrete barriers and orange barrels will remain in place.

Please call 511 or visit [www.511virginia.org](http://www.511virginia.org) for real time information on the location and traffic impacts associated with mobile and emergency pothole patching operations. Drivers can also sign up to receive personalized traffic alerts by e-mail or text message. Real-time traffic camera images are available at [www.trafficland.com](http://www.trafficland.com).

To submit a work request for state-maintained roads (for potholes, guardrail replacement, traffic lights, etc.) call VDOT's Highway Helpline at 1-800-367-ROAD (7623) or complete the online form at <http://www.virginiadot.org/travel/citizen.asp>.

*Note: mm stands for mile marker.*

### HIGH PROFILE
